

Project Name: Green Horizon Solar Farm

Client: InfraBuild Holdings

Bid Date: 2024-06-15

System Capacity: 2.5 MW

Panel Type: Tier-1 Monocrystalline Silicon

Inverter Type: Central String Inverter

Component	Cost (USD)
Equipment Procurement	\$54,234.00
Installation Labor	\$54,234.00
Permitting & Interconnection	\$54,234.00

Total EPC Bid: \$162,702.00

Projected Energy Output: 4,200 MWh/year

Estimated Project ROI: 895%

Warranty on Equipment: 25 years

Performance Guarantee: 90% of rated output for 25 years
